Tuesday February 1st is our 100th day of school! (unless we have another snow day)

Use this 100 to make a creation. (ie: bicycle, person, snowman, etc...)

You can color it, use glitter, paint, markers, etc...

Please bring them in by Tuesday, because we will share them and put them up on a bulletin board in our classroom.

Please do not make it larger than a 8 x 10 piece of paper.

Have fun and be creative!

Your Kindergarten Teachers
