

Dear Parents,

We can't believe that the school year is moving so quickly! We hope this continues to be a fantastic school year for you and your child/children. As a fun way of to celebrate the last weeks of school, the kindergarteners will be doing an ABC countdown. Your child is encouraged to participate in each day's activities. Please do not feel obligated to buy anything special to go with these days. We think most items are things you already have at home. Happy ABC's, and thank you again for all your support.
