## A Week in Review

We focused on the letter Ee and Ll.

This week we read Where the Wild Things Are

- We worked on sequencing the story as a whole class and then in our small reading groups we worked on the beginning, middle, and end of the story.
- We made a class book "If I were a wild thing, I would..."
- We talked about Wild and Tame and drew pictures to show what they would look like.
- We created a sort and had to place pictures under the correct heading: pretend or real.
- We also worked on vocabulary from the book and talked about what some of the words mean.
- We drew pictures and wrote about what would happen if we were leaders for the day.
- We talked about what was real and what was pretend in the story.
- This week for laptops we created our own monsters on the paint program. We got to print them out and take them home. We thought that was really cool!
- We continue to practice on our handwriting and this week we focused on the letters Ee and Ll.
- We are also working on our sounds. We will be starting to work with a sound chart to help us stretch our words out in order to spell words and write them.

**Please make sure your child has an extra change of clothes in his/her backpack in case of accidents or milk spills.**

School starts at 8:15a and your child is considered late if they are not here by 8:25a. School is over at 3:25 p.m. Please remember that if you are picking up your child you are to wait in the line and tell the teacher outside your child's name for car riders.

If you are picking your child up in the front of the building everyday he/she will be a "walker".

After 3:30-3:35 all students who have not been picked up with go to the office to wait for their ride.

Please remember to call the office if your child is ill. Thank you!

**Remember your child's K.I.N.D. Binder everyday!**
